ABOUT THE EVENT

The Arab Swiss Health Dialogue is an Exclusive High-Level platform bringing together Arab Ministers of Health, Senior Government Officials, and Leading Swiss Health and Technology companies.

The meeting aims to foster structured dialogue between Public Sector Leadership and Private Sector Innovators, with the objective of accelerating Strategic Partnerships in Health systems strengthening, Digital Transformation, Artificial Intelligence in Health, and Sustainable Investment in the Arab region.

Why Attend?

- Gain first hand insight into National Health Strategies and Reform Priorities across Arab countries.
- Engage directly with Ministers of Health and Senior Decision-Makers.
- Identify Pipeline Projects and Public Sector Priorities.
- Explore Long-Term Strategic Partnerships in the Arab Health Market.
- Move from Networking to Structured Collaboration Opportunities.

GUEST OF HONOUR

H.E. DR. HILAL BIN ALI AL SABTI

MINISTER OF HEALTH, SULTANATE OF OMAN

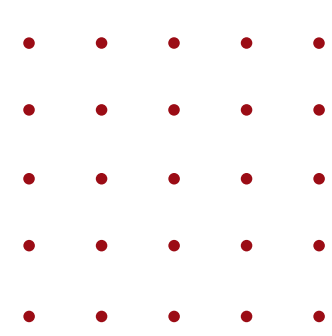

A pioneering figure in Oman's medical sector, H.E. Dr. Hilal Al Sabti brings decades of clinical expertise and visionary leadership, transforming Oman's healthcare landscape. From performing the nation's first open-heart surgeries to leading 16 internationally accredited training programs, his achievements have earned him prestigious local and global honors. As Minister of Health, he champions innovation, strategic partnerships, and investment in future-ready healthcare.

On our journey, we are guided by human values. We have chosen to create real change, for we are not just echoes of noise but a positive force shaping the future. Working together as one team, we strive to make a real difference in people's lives. We do not stand by and watch, we create change in every part of our beloved country
